

18 February 2011

Tricorn Group Plc
("Tricorn" or the "Group"),

Trading Update

Tricorn Group plc (AIM:TCN.L), the AIM listed tube manipulation specialist, announces the following trading update.

Trading in the second half of the current financial year has remained strong and we expect this to continue for the balance of the period. Our Energy and Transportation sectors remain the key drivers for this.

We now expect full year Group PBT* to be significantly ahead of market expectations.

The Company will provide a further update on trading after the period end in early April.

**The reference to PBT is before intangible asset amortisation, share based charges and fair value adjustments.*
